

*Services to  
Educational Facilities*

*Leading The Way To a Healthy Workspace*

## Schools, Colleges & Universities

**FUMEX** offer a complete range of services to all Educational facilities throughout the UK. With over 30 years experience, **FUMEX** have a cost effective solution to all of your extraction requirements.

From a single COSHH Test to the installation of an entire workshop extraction system, FUMEX have the answer. We design, install and commission a vast range of extraction systems all designed to meet your individual requirements.

Established in 1980, our technical knowledge and expertise in this field is second to none. We work closely with our customers to provide a first-class service, including; Local Authorities, MOD, Universities & Colleges, Fire, Ambulance & Police, HM Prisons, Hospitals, Airports, Vehicle Manufacturers and many more.

- Exhaust Extraction Systems
- Weld Fume Extraction
- Solder Fume Extraction
- Wood Dust Extraction
- Nail Bars
- Fume Cupboards
- Mobile Extraction Units
- COSHH Testing
- Online Certification Management

Our dedicated P601 trained COSHH assessors operate all over the UK, we test all types of LEV equipment to ensure that each of your systems comply to all current COSHH Regulations.

Keeping track of all of your documentation/certificates can be a real headache. FUMEX offer a free Online Certificate Management facility to all of its customers, this then enables them to have secure access to all of their documentation and certificates 24 hours a day, 7 days a week.
